Dear Resident, Family Member, or Responsible Party,

We are dedicated to providing consistent, quality care in a warm and pleasant atmosphere. The costs associated with providing care have increasingly skyrocketed, especially with the advent of COVID-19, labor shortages and supply costs.

Effective February 1, 2023, our private pay daily rate will be increasing to \$450 plus the NYS revenue tax (6.8%) for a private room and our semi private room rate will be \$425 plus the NYS revenue tax (6.8%).

We appreciate your understanding in this matter given the financial realities we all face and are here if you have any questions.
